

**Erratum to “Relationship between the static
dipole polarizability and the static dipole
magnetizability of the relativistic hydrogenlike
atom”**

[Chem. Phys. Lett. 419 (2006) 537–539]

The redundant multiplication signs in front of the constraints constituting the last rows of Eqs. (10), (11), (13) and (14) should be deleted.

In Eq. (12) the constraint $(a_1 \neq a_3, a_2 \neq a_3)$ should be separated by a space from the formula preceding it.
