This paper was published online on 22 February 2006 with a typographical error in the left-hand side of Eq. (B11). The equation should read,

$$\mathbf{e}_{\pm 1} \cdot (\mathbf{n}_r \times \boldsymbol{\sigma}) \Omega_{\kappa\mu}(\mathbf{n}_r) = \dots$$

The equation has been corrected as of 8 March 2006. The equation is not correct in the printed version of the journal.
